

Knowledge grows

Every purchase makes a real impact:
Donation from Yara to Gumboot Friday

Make a difference with your YaraVita purchase! Here's how to:

Simply purchase YaraVita products at PGG Wrightson to support this meaningful cause. **For every litre/Kg of YaraVita product sold between June 2024 and May 2025,** Yara New Zealand will donate towards Gumboot Friday, directly funding counselling support to young Kiwis in need.

Together with you, we hope to secure at least **250** counselling sessions, and create a brighter and healthier future for the next generation.

Gumboot Friday provides young people in New Zealand fast and free access to qualified counselling.
